Educational Certification

- Lake Health is accredited by the Ohio State Medical Association to provide continuing medical education for physicians.
- Lake Health designates this live educational activity for a maximum of 4.0 AMA PRA Category 1 Credit(s).™ Physicians should only claim credit commensurate with the extent of their participation in the activity.
- Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.
- Nurses can apply the Non-Physician Attendance Certificate toward their 24 hours of contact hours needed for renewal of nursing license. Certificate will provide 4 contact hours.

Disclaimer Statement

The materials published and provided in conjunction with continuing medical education activities are intended solely for the purpose of supplementing continuing medical education programs for qualified health care professionals. Anyone using the materials assumes full responsibility and all risk for their appropriate use. In no event should the information in the materials be used as a substitute for professional care.

Americans with Disabilities Act

The Lake Health Medical Staff Education Committee will take reasonable steps to ensure that no physically challenged individual is discriminated against because of absence of auxiliary aids and services.

This is a webinar.

It can be watched from any location.

Webinar access will be emailed after registration is received.

You can call, text, email or mail in your registration.

Needs Assessment and Practice Gap

The Education Committee selected the topic based on needs assessment and practice gaps as identified due to the COVID-19 pandemic.

Learning Objectives

Following the activity, the participant will be able to:

COVID-19 Pulmonary Lessons Learned

1. Develop strategies to care for COVID-19 patients based on the latest findings within the research community.

Infectious Disease, COVID-19 Treatments

1. Summarize infectious disease's current understanding of the clinical presentation, diagnosis and treatment of COVID-19.
2. Describe what prolonged and delayed recovery looks like for some patients infected with COVID-19.

COVID-19 Outpatient vs Inpatient Decision Making and Outpatient Treatments

1. Discuss decision making in the inpatient and outpatient arena.

Lake Health COVID-19 Testing, Vaccinations and Outpatient Treatments

1. Determine the appropriate test to order.
2. Discuss the outpatient monoclonal antibody infusion center.

Educational Design

Participants will have the opportunity to attend lectures, participate in pre- and post-lecture quizzes using an audience response system and ask questions of the faculty. A post-activity survey will be emailed six weeks following the symposium.
