The information provided below by Lake Health is a comprehensive list of charges for each inpatient and outpatient service or item provided by our hospital, also known as a chargemaster. It is not a helpful tool for patients to comparison shop between hospitals or to estimate what health care services are going to cost them out of their own pocket. For more information about the cost of your care, please contact our Financial Counselor staff at 440-602-6682. *These prices are correct as of January 1, 2021
