Parent and Child Swim Classes

\$44 LiveHealthy Member

Developed for children 6 months to 3 years, Parent and Child Swim Classes help young children get ready to swim by emphasizing fun in the water. Parents and children participate in several guided practice sessions that help kids learn elementary swimming skills, including water entry, bubble blowing, front kicking, back floating, underwater exploration and more. Parents are taught the best way to hold their child while encouraging swimming skills in a safe environment. Learning disguised by playing and singing make swimming an enjoyable time for both the parent and infant/toddler. Parents are encouraged to bring a favorite water toy to class. One adult is required to be in the water with each child.

Class Options:

- **Tuesdays and Thursdays**, July 12 - August 4, 10:10 - 10:40 am
- **Tuesdays and Thursdays**, July 12 - August 4, 5:40 - 6:10 pm

Questions? Please contact 440-701-7517 or aquatics@lakehealth.org.
