UH Lake Health Self Pay Policy

It is the policy of Lake Health that all patients will be treated fairly and with respect regardless of their ability to pay for the services they receive: To provide counseling to all uninsured patients, including help in understanding and applying for local, state and federal health care

programs such as Medicaid and HCAP; To describe to patients without any third party healthcare coverage (governmental or private) that they may apply for charge reductions through the Lake Health Uninsured Charity Care Program; To establish reasonable, interest free payment plans.
