Class Descriptions

Cardiovascular Endurance

Aqua Zumba® - Known as the Zumba "pool party," Aqua Zumba® gives new meaning to the idea of an invigorating workout. Integrating the Zumba® formula and philosophy with traditional aqua fitness disciplines, Aqua Zumba® blends it all together into a safe, challenging, water-based workout that's cardio-conditioning, body-toning, and exhilarating beyond belief. **Intensity: Low to Moderate**

Cycle - The indoor cycling workout where you ride to the rhythm of powerful music. Take on the terrain with your inspiring team coach who leads the pack through hills, flats, mountain peaks, time trials and interval training. Discover your athlete within - sweat and burn to reach your endorphin high. **Intensity: Moderate to High**

Step with Intervals - Push your cardio edge into high gear and attack the legs in every plane of motion, both on the step and on the floor. STEP w/ INTERVALS strengthens the heart, increases bone mineral density, improves coordination, and tones the lower body, with every step you take. **Intensity: Moderate to High.**

Water in Motion® - High-energy challenge for participants of all ages, skill and fitness levels. Jump in and make a splash with this dynamic cardiovascular workout that tones the entire body. Water noodles and hand buoys may be incorporated into this great workout. **Intensity: Low, Moderate, or High**

WERQ® - Are you ready to WERQ®? Join us for this heart-pumping, cardio-based, fusion dance class. This class incorporates athletic movements that get your body sweating, all while WERQing your body to fun hip-hop and pop music. **Intensity: Moderate to High**

Zumba® Fitness - There's no other fitness class like a Zumba® Fitness Party. Featuring exotic rhythms set to high-energy Latin and international beats, Zumba® is the perfect way to shape up and let out your inner star - even if you're dance challenged. Each Zumba® class is vibrant, unique, and varied, **Intensity: Moderate**

Mind/Body

Chair Yoga - Explore the mind and body through a gentle yoga flow all while sitting on a chair. Chair Yoga allows you to develop a yoga practice without having to work on the floor. This chair practice is very grounding and a great way for you to practice and develop meditation skills. **Intensity: Low**

Gentle Yoga - Focusing on releasing tension, connecting with the breath, and helping you gain strength and flexibility, Gentle Yoga is appropriate for those who want a softer, slow-paced, well-supported, and relaxing practice. Controlled breathing, concentration, and a carefully structured series of stretches and poses to create a holistic workout that brings the body into a state of harmony and balance. **Intensity: Low**

Healing Waters - Experience deep inner warmth...pain relief...relaxation...stress relief...improved range-of-motion...gentle movement. Especially beneficial for those with any type of physical limitation and those recovering from joint replacement surgery. **Intensity: Just right!**

YogaRx - YogaRx builds flexibility and strength leaving you feeling centered and calm. Controlled breathing, concentration and a carefully structured series of stretches, moves and poses to music create a holistic workout that brings the body into a state of harmony and balance. **Intensity: Low, Moderate, or High**

Yogalates - Enjoy the unique blend of flowing yoga mixed with core-toning pilates. This class provides a balance between stretching, strengthening, and toning the body through an integrated flow. Emerge into the flowing yoga postures paired with the deep connection of the core muscles. This combination provides effective training for developing a slimmer, yet stronger, physique. **Intensity: Moderate**

DrumsXpress

This music, rhythm & movement class works as a powerful stress reduction, enhancing mood, mental balance and physical fitness. *No music or drumming experience required. **Adaptable for all levels of fitness.**

Restorative Stretches

Slow-paced dynamic movements with the goal of improving mobility and flexibility. Overall muscle/joint conditioning and strengthening with gentle stretch/release method. **Intensity: Moderate**

Muscular Strength and Endurance

PumpCycle - This combination class is a well-rounded workout! First, pump it out with the barbell for some muscular endurance training, then get a great cardio workout while cycling to fabulous music! PumpCycle brings multiple areas of fitness into one class. **Intensity: Moderate to High**

Kickboxing - Join Kickboxing to learn basic punches, kicks, and other defensive movements while working rhythmically with the music. You will learn short combinations based on the movements you have practiced throughout the class. As always, you can take this class at the intensity that works for your body. Time to KICK your body into shape! **Intensity: Low, Moderate, or High**

PumpRx and PumpRxpress - One of the fastest ways to get in shape! The PumpRx barbell class will sculpt, tone, strengthen, and transform your entire body without adding bulk. Focusing on low weight loads and high repetition movements, you'll burn fat, gain strength, and quickly produce lean body muscle conditioning. PumpRx challenges all of your major muscle groups while you squat, press, lift, and curl. **Intensity: Moderate to High**

Safe Start - Whether you have special medical needs or just need to jump start healthy habits, Safe Start provides a guided introduction to exercise. Complimentary initial assessment with exercise specialists is required prior to participating. **Intensity: completely up to you! Low, Moderate, or High**

Total Body Intervals - Lite (Formally known as BalanceRx) - This low-impact, whole body group fitness workout uses tubes, dumbbells, and body weight to boost fitness and core strength. Functional strength is the main focus, working different sets of muscles to improve posture, leg strength, and balance. There are inspirational instructors and music to motivate you. The result of consistent attendance -- you'll be fizzing with energy, so you can really take on life! **Intensity: Low to Moderate**

Total Body Intervals (land and aqua) - One of the best ways to burn calories and increase energy! Total Body Intervals will push you to be your best. Brief bursts of high-intensity work followed by short recovery periods boost metabolism and burn more calories.

Land: Total Body Intervals will teach you how to burn calories, add strength, improve balance, and gain flexibility.

Aqua: buoyancy allows you to move with ease which allows you to work at a higher intensity with less impact on the body. Show up and GET AFTER IT. **Intensity: Completely up to you! Low, Moderate, or High**
